

Project CARE3 - Local Event no 4.

Description of Event:

Erasmus+ Care3 Project team cares! : " Sum of small victories leads to big success!"/ G. Irbe./

Charity week

From 22nd to 26th of January in Valmiera Viesturs Secondary school took place 20nd Charity Week "Together even higher!" This year we involved in charity campagna "We with MESA" from project "MESA" in which was aim to help children with movement disorders. Within this charity week we gathered donations for rehabilitation for our local boy Markuss Bērziņš. Markuss is communicable, lively and very nice boy what we could see at the end of this charity week when he and his mother visited our school and participated in Charity concert.

There was special mood in our school whole week - small market places during breaks, student self-government took care of different activities. Our small hall was fulfilled with laughter, enthusiasm, energy and warmth every day. There was a chance to watch movies, try your luck and precision of throwing a ball in aim, and also join other activities.

On Friday, at the end of this Charity week, were two concerts during those students of Viesturs secondary school delighted Markuss and each other.

Hosts of concerts asked everyone to listen to stories of those children whose everyday life is different from us.

Special surprise was video greetings from musical project "MESA" author - Gatis Irbe.

During this week every one of us thought about that we have so much and that we have to be grateful we are healthy and that we can live fully. And also we have to be happy and pleased that we can help those who need help. Good works multiplies joy for us and others around us! Thank you to everyone who donated for Markus`s rehabilitation. In video greeting Gatis Irbe quotes some lyrics of his song: " Sum of small victories leads to big success!" Thanks to Markuss who let us to be witnesses of one of his small victory! Together we donated 1090.35€! Thank you students, parents, Erasmus project Care3 team and all workers of Valmiera Viesturs secondary school for this positive and emotional week!
